

“We feel so blessed to have St. Mary’s touch our children’s lives. Their experience has not only fostered their faith, it has given them a love for learning in a safe and caring environment. As parents, we couldn’t ask for better partners to help us shape the foundation of our children’s values. Each year they become more prepared to be socially responsible individuals.”

-St. Mary’s parent

We Believe,
We Achieve,
WE SUCCEEDED.

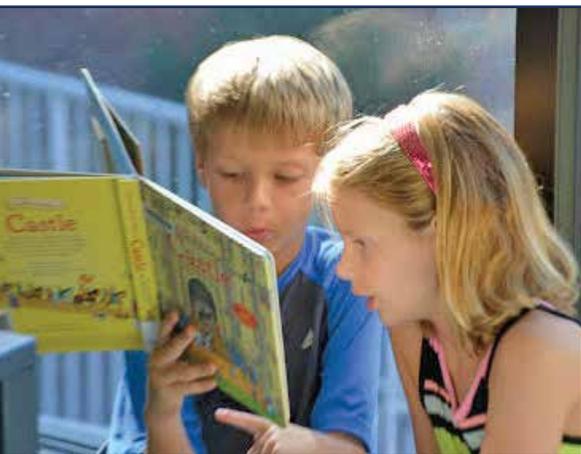

DISCOVER ST. MARY'S SCHOOL

Unlocking Potential

St. Mary's School has been dedicated to providing a faith-based education that fosters academic excellence since 1877. From the front door our school may appear similar to any other school, but walk down the halls and you will quickly discover how unique we are. Our dedicated and caring educators inspire each student to envision and pursue his/her greatest potential in mind, body, and Spirit. We have high expectations for our students, and our students rise to the challenge.

Empowering Success

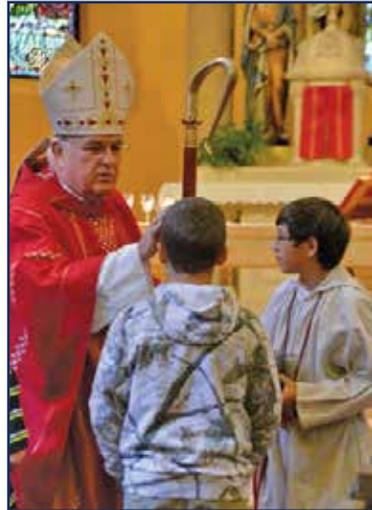

Our **preschool through eighth grade** curriculum and experiences provide the foundation to develop well-rounded students:

We believe in empowering students as they grow in their faith and prepare to become productive citizens and future leaders.

We achieve through enlightening minds by offering a comprehensive curriculum and opportunities for meaningful community service.

We succeed by enriching spirits by integrating Christian values in all that we do, to nurture the hearts and minds of our students.

Experiencing Excellence

We are committed to offering a curriculum and opportunities that support and stimulate the growth of the whole child. We are focused on differentiating instruction, personalizing education for students, and ensuring best practices in instruction and assessment in every classroom.

Here's a peak at what we offer:

- High levels of **academic achievement**—consistently scoring above the local and national averages in standardized testing
- **Faith formation** enriched with **Catholic beliefs** and **Christian values**
- **Classroom instruction** in language, reading, math, social studies, science, technology, fitness, music, and religion
- **Integrated technology** to **support** and **accelerate learning**
- **Global language course** for grades 1-8 (Spanish)
- **Small class sizes**, offering **individualized support**
- **Leadership** and **service** opportunities
- Athletic, fine arts, and extra curricular **activities**
- Onsite **extended day care** options
- **Nurturing, supportive,** and **safe** environment with **strong family** and **staff investment**

*EVERY day we
open minds and
keep the Spirit alive
and in our hearts.*

Investing in the Future: A Lifetime Gift

We understand that a Catholic education is a commitment, as well as an investment in your child's future. St. Mary's is dedicated to making our high quality education affordable for all families. Please visit our Website: stmmarys-owatonna.org to review our tuition rates. We are pleased to offer financial support to our families who demonstrate need.

Applications are accepted year-round. A non-refundable registration fee is required. In the event a class is full, a waiting list will be created.

We invite you to become familiar with our curriculum and other programs and services that support teaching and learning in our school.
