

“I remember how overwhelmed we were in choosing the ‘right’ school for our child. I can say with confidence we made the right decision by enrolling our child in the St. Mary’s Preschool program. I feel at ease knowing my child is with teachers who foster his educational, spiritual, emotional, and social well-being. It brings me much joy to see his love for learning and discovery blossom.”

EXPERIENCE DISCOVERY & ADVENTURE

Ignite Your Child's Love of Learning

At St. Mary's, we inspire our students to love learning. To ignite that flame, we believe your child's first school experience should consist of discovery and adventure. Our preschool educators have a genuine love for children and love for preschool. They inspire students to wonder, discover, create and excel. The active learning opportunities that are offered support emerging skills and stimulate the growth of your whole child, aged 3-5.
